

# TECHNICAL DATA SHEET

## FOAM CONE

#FCvan16wht; FCvan20wht – Color: White

This product is vanishing white foam that allows individuals or coaches to mark any type of field with a temporary foam line. The non-toxic formulation disappears in minutes and does not stain clothes or shoes. The spray is triggered with your index finger and the can fits into your pocket.

### Suggested Uses:

- Mark the spot where the ball should be placed.
- Mark a line where the players should be.
- Mark a path for a player to follow.
- Mark the field with several “cones”.
- Mark a path for your golf swing.

### Benefits:

- Quick “setup”.
- Ready to go.
- Increases practice time.
- No more chasing down plastic cones for your next drill.

### Properties:

Line Length Per Can:	130 ft. (16oz. can); 180 ft. (20oz. can), depending on thickness
Flammability:	Non-flammable
Flash Point:	-44F (propellant only)
Solids Content:	<1%
MIR Value:	0.33, cannot exceed 0.85
